You can enter the lobby from either the front or the back, but the parking is easier in the back. Drive up to the fountain, turn left at Ted's Montana Grill and turn left again to park behind the building.

When you drive to the back of the building, you'll find lots more parking.

Front Lobby entrance here

Front side – Parking is tricky. Best to park in back.

Back Lobby entrance here

Trader Joe's

Back side – Lots more parking.
